Information can be an incredibly valuable tool. We recently launched a new smartphone app called the VanMeveren Law Group Accident Assist. This app provides several resources and tools at the push of a button.

We worked with a company called Accident Assist to tailor the app to our clients and their needs. It's a resource you can use on the road or at any time. One of the biggest benefits of the app is that it keeps all of your "driver" information in one place by storing a copy of your driver's license, auto insurance information, auto registration, and any roadside assistance you may have, such as AAA ...[CONTINUE READING](#)
